**E. DEAN'S celebrated Chemical Plaster.**

**AN IMPORTANT DISCOVERY**  
FOR Rheumatism, Fevers, Whites, Scalds, Inflammation in the eyes, Burns, Swelled Throat in Scarlet Fever, Quinsy, &c.

**TO THE PUBLIC.**  
When it may concern this, may certify, that I, E. DEAN, the proprietor of E. Dean's Chemical Plaster, have for more than two years been in a delicate state of health, so that I have been unable to prepare and circulate plaster to that extent which the interest of the suffering community demands; and feeling that so valuable an article ought to be made known to the afflicted, I have made arrangements with H. Harris & Co., of Ashland, Ohio, to manufacture and vend it in my name as my sole successors. This, therefore, may be relied on as the genuine article heretofore prepared by me. As witness my hand.

ERASTUS DEAN.  
Wesfield, Chautauque co., N.Y., Jan. 1, 1839

The Chemical Plaster is an important remedy to all those who are afflicted with inflammatory complaints by its easing pain, contracting inflammation, and giving speedy relief, by its active, strengthening and restorative properties. An efficient remedy for inflammatory rheumatism, acute in the breast, cramp, burns, bruises, scrofula, old sores, ulcers of almost every description, cankered and swelled throat arising from scarlet fever, felon, white swellings, chilblains, &c. Persons suffering from liver complaints, pulmonary diseases, inflammation of the lungs, with pains in the side and breast, pain and weakness in the back, will find relief. In all cases it may be used with safety.

The Plaster is now put up in boxes at 50 cents and 1 dollar each.

Made and sold, wholesale and retail, by H. Harris & Co., Ashland, Ohio, sole proprietors. None genuine unless signed by H. Harris on the wrapper.

**TESTIMONIALS.**  
Messrs. Harris & Co.—Sirs: Since I was at your store in July last, I have used E. Dean's Chemical Plaster, which I have received from you at different times, and feel myself in duty bound to you as proprietors, and to the public generally, to recommend the same as a safe and efficacious remedy for those complaints for which it is recommended. I have used it in several cases of inflamed eyes, in some of which its effects as a curative have been decided, and in no case has it failed of giving relief where it has been applied according to directions, and all who have used it are perfectly satisfied with it so far as I know. I have also applied it in some severe cases of ague in the breast with the happiest effects.

I would also relate the case of Mr. Thomas Logan, who has been afflicted with the rheumatism in one hip for thirteen years, so that he had been compelled to abandon labor, in a great measure. I let him have a box of the Plaster, he applied it, and for three days found, as he supposed, no benefit, but after that he perceived that the pain was not so severe, and in less than two weeks he could labor hard all day and rest free from pain at night. He says he would not part with the box he has for three hundred dollars, providing he could not obtain another. He also says to me, keep it on hand and recommend it wherever you go.

I have used the Plaster in cases of pains in the side, back, shoulders, &c. with like good effect.  
Yours, &c. DANIEL KNEELAND, M.D.

Moscow, June 18, 1839.  
Messrs. Harris & Co.—Sirs: I have used E. Dean's Chemical Plaster for four years past and do cheerfully recommend it to physicians and the public generally as an invaluable remedy in chronic and acute rheumatism, sprains of the wrist, ankle, shoulder, &c. In felons, whitlow and scrofulous swellings of all descriptions, it is generally an efficient remedy. In short, wherever there is pain, it is almost sure to give relief in a few hours. I have used it in a great number of rheumatic affections. One of my patients aged 40, full habit, had a rheumatic swelling on one leg. He had been unable to get out of the house for three months; his leg was swelled to an enormous size, twice its usual bigness; every thing had been done without success, until we commenced using Dean's Chemical Plaster. We enveloped the knee and a portion of the limb in the Plaster, and in three days the swelling entirely disappeared, and in ten days he went about his ordinary business. Such has been our success with the article, and we now willingly recommend it to the public for a trial.

Yours, &c. J. H. REYNOLDS, M.D.

**Hay's Liniment.**  
NO FICTON.—This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death bed request, has since gained a reputation unparalleled, fully sustaining the correctness of the late Dr. Grady's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant Solomon Hays the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and most certainly, for the cure of the Piles, and also so extensively and effectively as to baffle credulity, unless where its effects are witnessed. Externally in the following complaints:

For Dropsy.—Creating extraordinary absorption at once.

All swellings.—Reducing them in a few hours.

Rheumatism.—Acute or Chronic, giving quick ease.

Sore Throat.—By cankers, ulcers or colds.

Croup and Whooping Cough.—Externally, and over the chest.

All bruises, sprains and burns, curing in a few hours.

Sores and Cleets.—Whether fresh or long standing, and fever sores.

Its operations upon adults and children in reducing the morbid swellings, and loosening conchs and tightness of the chest by relaxation of the parts, has been surprising beyond description. The common remark of those who have used it in the Piles is, "it acts like a charm."

For sale by Z. Devey, Apothecary's Hall, and S. Sawyer, Dearborn street Chicago.

**LOOK OUT FOR IMPOSITION.**  
A late attempt has been made to imitate Hay's Liniment, and infringe upon the copy and other rights of the proprietors. Never buy Hay's Liniment unless it has a splendid engraved wrapper, and the written, and signed signature of Comstock & Co.

All others must be impositions. Any person vending any other article, by the name of Hay's Liniment, either at wholesale or retail, will be prosecuted for a violation of our copy right. The oath of Mr. Hays may be found copied on our inside wrapper, swearing that no other person knows any of the component or essential parts of this Liniment—and that he will not reveal the secret for twenty years.

**Oldridge's Balm of Columbia.**  
THIS article was first introduced into the New York market about 20 years since, and from its superior virtues in re-producing hair when it had fallen out, keeping the head free from dandruff, (a most loathsome article on a gentleman's coat collar,) and giving a softness and beautiful lustre unknown before to the hair, has induced some persons to get up and advertise many other articles for the same purpose, none of which stand the test of trial, professing, as most of them do, to be Oils of various kinds, all of which are positively injurious to the human hair. Let me be deceived, no other article will make the hair grow rapidly and of a good quality; but the Balm of Columbia, and no article purporting to be the Balm of Columbia is genuine without the name Comstock & Co. on the outside wrapper. Some have been deceived and obtained a counterfeit article for the true and genuine Balm of Columbia. Remember to look for the name of Comstock & Co. on the wrapper, before you purchase, and get none but the genuine. Don't be deceived with the assurance that any without the name of Comstock & Co., is made in the same way and is just as good, all such pretensions are false and known to be so by the counterfeiter.

Sold wholesale and retail, only at No. 2, Fletcher street, N. Y., by COMESTOCK & Co., and by nearly every storekeeper throughout America.

**Hay's Liniment.**  
THE only true and genuine receipt, and so declared by the oath of Mr. Solomon Hays, has never been made known to any person or persons except to Messrs. Comstock & Co., and they only have the right to prepare the said genuine Liniment, which has established a reputation for effectually curing the Piles in every case, and in all the various stages of the complaint; also, Rheumatism, Sore Throat, Sprains, Bruises, Sores and Ulcers of long standing. All who have ever used it are highly pleased with its beneficial effects, and all who are in need of cures for any of the complaints mentioned, are respectfully requested to ask any one who ever used it. And we refer with confidence to all who know of the article, and especially to Matthew J. Myers, Esq. of Athens, N. Y., and Gen. Duff Green, late of Washington City, all of whom speak in the strongest terms and with the fullest confidence from personal application and knowledge of its positive and never-failing cures.

**LOOK OUT!**  
Some swindlers have counterfeited this article, and put it up with various devices. Do not be imposed upon. One thing only will protect you—it is the name of Comstock & Co., that name must always be on the wrapper, or you are cheated. Do not forget it. Take this direction with you, and test by that, or never buy; for it is impossible for any other to be true or genuine.

## CROUP, COUGH, ASTHMA.

**SPITTING OF Blood, Hooping Cough, and all Pulmonary Diseases,** cured by JAYNE'S EXPECTORANT, and Summer Complaints, Cholera Morbus, Diarrhoea, Dysentery, and all the various affections of the Stomach and Bowels removed by his CARMINATIVE BALSAM.

Please read the following letter J.

Dear Sir—I feel it due to you as the inventor of the medicine and to the public, who may be greatly benefited by it, to state a cure that was performed in my family, by the use of your "Carminative Balsam."

My little son, when about two months old, was seized with a *laxated complaint*, caused, as I suppose, by a change of diet. It continued for two weeks without intermission, and notwithstanding the remedies prescribed by a respectable physician, we gave up the child a victim, as we supposed, to a fatal disease, but I providentially heard of "Jayne's Carminative," as an effectual cure for bowel complaint, and immediately despatched a messenger to a town seventeen miles off for a bottle. By the use of this medicine, in less than thirty six hours the disease was checked; and by its continued use for a few days the child was restored to perfect health. Shortly after this, there occurred a similar case in one of the families of my congregation; I procured "Jayne's Carminative," and the result was a speedy cure. From a knowledge of the efficacy of your medicine in bowel complaints, a disease to which children are constantly liable, I have obtained and keep constantly in the house, a quantity of the "Carminative."

The same child, owing to exposure, when recently coming up the Ohio, was attacked by the horrid malady, CROUP. We landed in the night at Beaver Point, and when our fears were alarmed, lest the hoarse sepulchral cough was the forerunner of death, we gave him a teaspoon full of the "Expectorant," (a bottle of which you presented me with when in Philadelphia) and applied some liniment to the throat and breast, and before many minutes the hoarseness was gone, the child breathed freely and slept sweetly. Owing to these circumstances it cannot be wondered at why I have so high an opinion of Dr. Jayne's medicine, and why I advise every family to keep it on hand ready for any emergency.

Respectfully yours,  
**ARTHUR D. BRADFORD.**  
Pastor of the Presbyterian Church, Darlington, Pa.

Dr. P. JAYNE.

Lambertville, N. J., April 27th, 1839.

Dr. Jayne—Dear Sir—By the blessing of God your INDIAN EXPECTORANT has effected a cure in me of a most distressing complaint. In December last, I was seized with great severity by a Paroxysm of Asthma, a disease with which I had been afflicted for many years past. It was attended with a hoarseness and soreness of the lungs and throat, together with a laborious cough, and complete prostration of strength, and when almost worn out with suffocation, a bottle of your Expectorant was sent to my house. At first I thought it was nothing but quackery, but seeing it so highly recommended by Dr. Going, with whom I was well acquainted, I was induced to try it, and in a few days it completely cured me, nor have I ever had any return of the disease since. I have now formed so high an opinion of your medicine, that if I had but a few bottles of it, and could obtain no more, I would not part with them for ten dollars each.

Yours, most respectfully,  
**JOHN SEGER.**  
Pastor of the Baptist Church at Lambertville.

PHILADELPHIA, June 9th, 1838.

To my personal friends—I would say, that I am well acquainted with David Jayne, M. D., and know him to be a respectable Physician and Druggist of this city—a gentleman in whom entire confidence may be placed. I have tested in my own case the beneficial effects of his CARMINATIVE BALSAM, and have greater confidence in it than all the other medicines of the kind. His EXPECTORANT is equally celebrated and efficacious.

When the first symptoms of an attack of sick headache are felt, the remedy should be resorted to immediately and one or two doses is then sufficient to remove every vestige of the complaint. It gives universal satisfaction to all who try it; Sick and Nervous Headaches are only complications of the same disease, and both are effectually cured by this article without change of diet or occupation.

Messrs. Comstock & Co.

Gentlemen—You are at liberty to make such use of the following certificate as you deem will best subserve the purposes for which it is intended:

(Certificate of Judge Patterson.)

I HEREBY CERTIFY, that my daughter has been afflicted with the sick headache for the space of about 20 years—the attacks occurring once in about two weeks, frequently lasting 24 hours, during which time the paroxysms have been so severe, as apparently soon to deprive her of life. And after having tried almost all other remedies in vain, I have been induced as a last resort to try Spohn's Headache Remedy, as sold by you; and to the great disappointment and joy of herself and all her friends, found very material relief from the first dose of the medicine. She has followed up the directions with the article, and in every case when an attack was threatened, has found immediate relief, until she is now permanently cured. The attacks are now very seldom, and disappear almost immediately after taking the quantity directed. A hope that others may be benefited by the use of this truly invaluable medicine, has induced me to send you the above, and remain your obedient servant.
